President's Letter

Dear Friends,

Today was the first morning with a hint of fall in the air. I know there is plenty of warm weather still to come but it felt like such a relief after the hot, sticky summer.

Membership renewals are now way overdue. If you have not renewed you are not getting emails. Don't miss any of the fun. A membership form is included in this newsletter and always available on our web site.

Some Recent Programs and Activities

The annual LCRVHC Games Day originally scheduled for July 20 had to be rescheduled due to extreme heat and humidity. We ended up having it on Saturday, August 3, which was a gorgeous day. 16+ riders on 15 horses enjoyed a series of relay races starting with a simple baton pass, pole bending, working through carrying flowers, socks, flags, pizza boxes, and up to hanging laundry on the line from horseback. Fun, casual, non-competitive, and good desensitizing for our horses. Judy Bosco came for a while and took lots of pictures (sample on pages 4-5). A potluck picnic on the porch finished off this fun event. A huge thank you to Liz Kennedy, Nancy Palermo-Lee, and Alyce Mallek for helping with set-up and clean-up.

On August 11, the annual summer picnic was hosted by Dave Beaudette and Julie Berman. Four of us had a nice ride at noon, then took our horses home, and returned for the picnic. The food was delicious, as always. I particularly enjoyed Beverly's first attempt at jambalaya! Dave and Julie's yard looked festive, with Julie's pretty tablecloths adding the special touch. The gardens and recently refinished porch looked amazing. Thank you, Julie and Dave, for a lovely afternoon/evening. See photos pages 6-7.

UPCOMING EVENTS

LABOR DAY BRUNCH RIDE

Monday, September 2, Trailer parking at Dave and Julie's, 98 Stevenstown Road, Deep River. Ride out at 10:00 am. Potluck Brunch noonish—depending how long folks want to ride. Bring something to share. Julie will make some quiches. RSVP to lcrvhc.org@gmail.com. Let us know what you plan to bring and we can head off duplicates. Depending how many riders we get we can break into small groups or if anyone would prefer not to ride with a group or to do a shorter route I can provide a trail map.

FALL FESTIVAL HUNTER PACE

October 20. Please start promoting this ride. It is our only fundraiser and we have had to cancel 2 years in a row due to heavy rain. Flyer pages 10-12.

CLIP & RIDE, QUINIMAY NORTH

Date TBD. I'd still like to check, clear, and remark the Quinimay from Tower Hill to 80 to 148 and from Pattaconk reservoir to Beaver Meadow parking at Pattaconk. Would anyone be interested in/available for a weekday ride with me?

MEETINGS AND FALL ACTIVITIES

Is anyone interested in composting manure? Or learning about the animal crematorium and seeing their trailer? We want to have activities that you will be interested in and attend, on days and times that work for your schedule. Please, please, share your thoughts and ideas. Email lcrvhc.org@gmail.com or talk to any board member!

See calendar on last page for much more!

* * * * *

Please remember when riding at Bluff Point, Hammonasset, Chatfield Hollow, and other State Parks: These parks are busy and get a lot of non-horse-friendly use. Be considerate. Pass walkers and other trail users slowly and respectfully. Do not ride where you see NO ANIMALS or NO HORSES signs posted. The boardwalks on the Shoreline Greenway Trail in Hammonasset, for example, are not horse safe. No horses are allowed on the beach at Hammonasset from April 1 to September 30. Horses are never allowed on the beach or in the picnic area at Chatfield Pond. PLEASE remove any manure from roads, trails, and beaches in State Parks. We want to keep these areas open to equestrians!

On high-use trails in the state forest, please dismount and kick/scatter manure off the trail so the kids don't walk in it and track it into Mom's SUV!

Remove all manure from parking areas and trail heads!

(President's Letter continued)

Months before National Trails Day Beverly Torell and I started bugging [begging] park supervisor Alex Sokolow for stone to repair the practically impassable driveway into the Weber Woods parking area. Anyone who has been there over the spring and summer knows how bad it was. Finally Laurie Giannotti got involved and 3 loads of stone were delivered in mid-August. We put together a work party for August 24 and spread the word through social media. 10 people and 3 tractors worked 3 hours, plus a bit extra for the operators, to spread the stone and give the parking area some much needed TLC. Mark Leas also cut up some large trees that were blocking the trail to the water crossing. A big thank you to Greg from GEM Hardscaping in Westbrook, who saw our Facebook post and showed up with a machine—the only non-member—and to all the LCRVHC members who helped, shared the posts, and put up signs. There is still some stone left to be spread but yours truly (aka the wasp magnet) discovered a yellowjacket nest near the water crossing (only 7 stings) and shut down the job until we could get them sprayed—which is now done!!! Photos pages 8–9.

Our Fall Festival Hunter Pace is fast approaching. We will be working on trails and clearing the jump fields. Many hands make light work. See work party dates in the calendar. We will be emailing final plans. Poster and flyer are in this newsletter.

Please see the Upcoming Events box on the first page and the Calendar on the last page for more activities. We always need ideas for the calendar!

I hope to see you soon!
Melissa

PS 2019 membership is down a bit. It's really a bargain at only \$15 annually for individual, \$25 for family. If you have friends you ride with or know people who are interested in trail riding with small groups or working on local trails, spread the word. And please, I can't say it often enough, tell us what you want to do as a club!

Bridle Path Conservancy News

The BPC is always recruiting board members and trailworkers. If you are able and willing to serve the riding community in this way please contact president Beverly Torell (bdtct@sbcglobal.net). Thank You

A Friendly Reminder

The BPC is a non-member organization dependent on LCRVHC for manpower and inspiration! It is basically still LCRVHC's trails committee! We maintain the trails in Weber Woods and the Quinimay Trail. The hunter pace which LCRVHC holds in Weber Woods each year pays the club's annual operating expenses. If you can't make it to an official work party maybe you can take a walk and toss some branches and rocks off the trail. Hours spent in Weber Woods or on the Quinimay trail can and should be logged as Adopt-a-Park time. Wear your badges. Please report your time to Beverly Torell, bdtct@sbcglobal.net. We would all rather be out riding but please bear in mind that it takes a lot of hours of political action with the state and towns to prioritize open space and the work to maintain the trails is never ending. Please join us in our efforts. Thank you!

BPC President's Letter

Hi folks,

This is Melissa writing for Beverly:

Bev broke her wrist and had to have surgery on August 28. She says she can do a lot one-handed but, having broken my wrist in 2010, I am sure she could use "a hand" with caring for Arizona and Walter if anyone has some time. You can call her at 860-664-0459.

Happy Trails to all.

Yours truly,

Bev

Bev Torell, President

WEBER WOOD'S NOTE

The "Alligator Crossing" bridge at the back corner of the lower gun club field was washed away by the September 25, 2018 flood. There is no viable ford in this area, therefore the trail is closed until we can figure out how to fix/replace it. Someone has put a few planks across for walkers/bikers. Be safe!
Update: Tom Elliott might have an Eagle Scout Candidate willing to take this on. Stay tuned.

SUPPORT THE BPC WHILE SHOPPING ONLINE!

The Bridle Path Conservancy is a receiving charity of Amazon Smile, Goodsearch, Goodshop and iGive. For every purchase you make through one of these sites with a participating online retailer, a percentage of your purchase will be donated to the BPC.

Here's how it works:

If you shop at Amazon.com:

- Instead of logging into the regular Amazon.com site, go to <http://smile.amazon.com/ch/20-1894760>
- Click the "Start Shopping" button and log in with your Amazon username and password.
- Shop and purchase as you would normally. Amazon will donate 0.5% of the price of your eligible AmazonSmile purchases to the BPC as long as you log in through the URL above (note: you can increase the donation to 1.5% by shopping Amazon via Goodshop or iGive – see below).

If you do a lot of web searching:

- Go to <http://www.goodsearch.com> or visit their FAQ to set Goodsearch as your home page.
- The first time you visit Goodsearch, click the "Get Started" button, then search for "Bridle Path Conservancy." Click on the BPC listing and then create a login or login with Facebook.
- As long as you stay logged in, each time you search the web through Goodsearch a one-cent donation is made to the BPC.

If you stop online at individual retail sites (see over for examples):

- Before visiting your favorite online shopping site, go to <http://www.goodsearch.com/goodshop> or <http://www.igive.com> (the sites are different but function the same).
- The first time you visit either site, you will be asked to create a login and select a cause (please search for "Bridle Path Conservancy") (note: if you have already created a login for Goodsearch, you do not need to create a separate one for Goodshop).
- Search for the name of the online merchant you want, and Goodshop or iGive will redirect you to continue your shopping session, donating a percentage of your total purchase to the BPC.

Note: these sites may have an app, browser button or other tool; please see their web sites for details.
